8. Account Suspension and Closure

8.1 If you wish to close your Account, you may do so at any time by contacting Customer Support via electronic mail. The effective closure of the Account will correspond to the termination of the Terms and Conditions.

8.2 tether.bet reserves the right to refuse or close an Account at its sole discretion, without prior notice or obligation to state or justify the reason. In the absence of suspected fraud, money laundering or unlawful conduct, all Account funds will be returned to the source.

8.3 Without restricting our ability to rely on other remedies that may be available to us, we may suspend and/or terminate your Account, cancel any outstanding bets and/or confiscate any or all funds in your Account at our absolute discretion if:

- (iii) we obtain evidence that you are part of a betting syndicate where several parties are involved in placing bets in order to evade the Betting Rules, these Terms and Conditions or any other rules of tether.bet; or
- (iv) we determine that you are using any device, robot, spider, software, routine or other methods (or anything in the nature of the foregoing) to interfere or attempt to interfere with the proper functioning of our services, any relevant device(s), software, the Website, casino games, the sportsbook and betting information, or any transactions offered on the Website. - (ix) we suspect that you have registered, manage or direct your betting activity on multiple user accounts in an attempt to hide your betting activity, bypass our set trading limits or violate any promotion Terms and Conditions; or
- (x) we suspect that your Account is being used for the benefit of a third party; or
- (xi) we obtain evidence that by registering new Accounts you have violated tether.bet's direct order not to continue your betting activity on our site. tether.bet has the right to

confiscate any deposits on Accounts registered by users previously found in violation or disregard of previous warnings of the above Terms and Conditions.

8.4 You acknowledge that tether.bet shall be the final decision-maker as to whether you have violated rules, terms or conditions in a manner that results in a suspension or permanent barring from participation in our Websites.

8.5 Irrespective of whether we suspend and/or terminate an Account and notwithstanding any other provisions in these Terms and Conditions, we may decide to cancel and void any outstanding bets at our absolute discretion where:

- (i) there is a technological failure, or
- (ii) you or another customer with whom you have bet have breached any of these Terms and Conditions.

9. Betting Rules

All the provisions established for pre-game betting, where possible and unless otherwise stated, apply also to in-play betting. With the exception of in-play betting, pre-game bets placed after the event start time will be considered void. In the case of combo bets, only the selection involved will be voided. In such circumstances, the combo bet remains valid. Additional or new markets may be made available by tether.bet from time to time. It is the responsibility of the customer to read the "General Betting Rules" applicable before placing any bets. In the event of any dispute, the customer agrees that tether.bet's records shall determine the outcome of any claim.

9.1 Past Posting

Placing a bet on an already known outcome is not permitted. In such circumstances bets accepted in error will be declared void. If the bettor is seen to persistently place bets on already known outcomes, the company reserves the right to cease serving said bettor, including the confiscation of their Account balance.

9.2 Palpable Errors

The company reserves its right to correct obvious errors, before and after the event. Bets inadvertently accepted in such circumstances will be declared void and the stake returned.

9.3 Collusion

Customers must register as unique individuals. If the company believes, before or after the official outcome of the selections is known, that customers are acting in collusion or as a syndicate for the purpose of manipulating betting markets, it reserves the right to void bets and withhold payment of any kind, as well as confiscate the customer's Account balance.

9.4 Match Fixing or Price Rigging

In the event that the company suspects any event manipulation, it withholds the right to withdraw or suspend any or all betting opportunities within the said event at its absolute

discretion, and the company may withhold payment on any such event or market until the respective sports federation has determined its investigation. Furthermore, if the company believes that match or price rigging has taken place, it reserves the right to share your personal data with the respective authorities or any other third party, as part of these investigations.

9.5 Stakes

There must be sufficient funds in the Account to cover all betting stake(s). Bets will be accepted only in the order in which they are received in full.

9.6 Bet Placement

A bet is accepted once the Company has confirmed it. Bets will appear in the customer Account section "My Bets". Bets which do not directly appear on tether.bet's files or records are not valid. If you are unsure about the validity of a bet, please check your Account or contact our Customer Service Department. It is up to the customer to verify that the number of bets placed, and the amount staked are correct. All odds are subject to possible changes. The official odds are those indicated by tether.bet in the bet receipt.

9.7 Void Bets

If a bet is declared "invalid" or "void", the individual bets (singles) stake is returned to your Account balance. In the case of combo or system bets, the void bet will be evaluated as won with odds of 1.00 for the void bet(s) only, and the total odds for the combo or system bet will be recalculated.

9.8 Accepted Bets

Bets placed and accepted in good time – apart from the cases mentioned in these Terms and Conditions – may not be revoked or changed. It is the customer's sole responsibility to ensure that all of the details of his/her bets are correct.

9.9 Late Betting

If the bet – for whatever reason – is placed after the beginning of the betting event, the bet is void. This does not include 'in-play' betting.

9.10 Cancellation

tether.bet has the right to refuse, accept, or partially accept any bet. Furthermore, tether.bet has the right to cancel all accepted bets before the betting event begins without any explanation. In such cases, a communication informing the customer of the cancellation of the bet will be sent to the customer's registered email address.

9.11 Payout

The customer should inform tether.bet as soon as possible of any amount wrongly credited to his/her Account. tether.bet may at any time offset any positive balance resulting from the erroneous operation, as well as cancel possible bets or transactions made with the erroneously credited funds.

9.12 Winning limits

tether.bet agrees to pay out the full return on any confirmed bets.

9.13 Sport Rules

Sport-specific rules will always supersede the General Betting Rules.

9.14 All bets stand

Unless otherwise stated, the principle “all bets stand” applies to all bets. This means, that if the athlete, team or horse on whom/which the bet has been placed, fails to participate – for whatever reason – the bet is lost, unless, but not limited to:

- (i) the event or tournament is cancelled or declared void
- (ii) the venue has changed
- (iii) live betting (Non-Runner = No bet)
- (iv) head to head betting = If one or more participants are withdrawn
- (v) the event or tournament is interrupted for more than 24 hours after the original start date

9.15 Determined Bets

All won bets, where the outcome is already decided, are settled as won regardless of subsequent abandonment of the event/tournament at any time.

9.16 Postponement 24-Hour Rule

The company recognizes only those results which have been achieved on the playing field or platform. Results amounting to disciplinary measures from a sports court or another court of law are not considered. In case of violation of sports laws, the company reserves the right to freeze the winnings and withhold payment. If any selection does not participate in an event (except the “All bets stand” principle), or if one of the selected events is abandoned or cancelled, and the respective betting events are not held within 24 hours, these bets are evaluated as “void” and the original stake will be refunded.

9.17 Related Bets

Related bets are two or more bets that have related contingency. Any related contingency bet(s) inadvertently accepted will be determined void and the betting stakes will be returned.

9.18 Dead Heat (Tie)

If there is more than one athlete, team, or horse achieving the same placing, the following formula will apply: Original Odds / ‘X’ (if 2 winners, X = 2, if 3 winners, X = 3, etc.).

9.19 Playing Times

In all sports, only regular playing time counts unless otherwise stated (including injury/added time). Any extra time or penalty shoot-outs etc. will have no influence on the settlement of any regular time bets.

9.20 Disqualifications

For all bets referring to the final result of the event/tournament: any player/starter/team that is disqualified for whatever reasons within 24 hours after the end of the event/tournament will be deemed a loser.

9.21 Odd or Even betting

If the result is "0" then bets will be settled as "Even".

9.22 Handicap/Spread

The event must be completed for bets to stand.

9.23 Totals Betting (bets containing the betting options 'Over' and 'Under')

If the event is abandoned before its completion then all bets will be void, unless the highest possible total outcome has already been achieved, in which case all bets stand.

9.24 Head-to-Head (H2H) betting

All selections must take part, or bets will be void.

9.25 Medal betting

All bets on the number of medals will be settled on the official medal table at the end of the event (e.g. Olympic Games, World Championships). Any changes made by any governing body at a later date do not count for betting purposes. Team medals: Any medals won by a team/nation per competition count as one medal regardless of the number of team members.

10. Bonuses and Promotions

10.1 tether.bet reserves the right to cancel any promotion, bonus or bonus program with immediate effect if we believe the bonus has been set up incorrectly or is being abused. If the said bonus has been paid out, we reserve the right to decline any withdrawal request and to deduct such amount from your Account. Whether or not a bonus is deemed to be set up incorrectly or abused shall be determined solely by tether.bet.

10.2 If you use a deposit bonus, no withdrawal of your original deposit will be accepted before you have reached the requirements stipulated under the Terms and Conditions of the deposit bonus.

10.3 Where any term of the offer or promotion is breached or there is any evidence of a series of bets placed by a customer or group of customers, which due to a deposit bonus, enhanced payments, free bets, risk-free bets or any other promotional offer results in guaranteed customer profits irrespective of the outcome, whether individually or as part of a group, tether.bet reserves the right to reclaim the bonus element of such offers and at their absolute discretion and either settle bets at the correct odds, void the free bet bonus and risk-free bets or void any bet funded by the deposit bonus. In addition, tether.bet reserves the right to levy an administration charge on the customer up to the value of the deposit bonus, free bet bonus, risk-free bet or additional payment to cover administrative costs. We further reserve the right to ask any customer to provide sufficient documentation for us to be satisfied in our absolute discretion as to the customer's identity prior to us crediting any bonus, free bet, risk-free bet or offer to their Account.

10.4 All tether.bet offers are intended for recreational players and tether.bet may in its sole discretion limit the eligibility of customers to participate in all or part of any promotion.

10.5 tether.bet reserves the right to amend, cancel, reclaim or refuse any promotion at its own discretion.

10.6 Bonuses can only be received once per person/account, family, household, address, e-mail address, IP address and environments where computers are shared (university, fraternity, school, public library, workplace, etc.). The Operator reserves the right to close your Account and confiscate any existing funds if evidence of abuse/fraud is found.

10.7 You acknowledge and understand that separate terms and conditions exist with respect to promotions, bonuses and special offers, and are in addition to these Terms and Conditions. These Terms and Conditions are set forth on the respective content page on this website (www.tether.bet), or have been made available to you personally, as the case may be. In the event of a conflict between the provisions of such promotions, bonuses and special offers, and the provisions of these Terms and Conditions, Bonus Terms, the provisions of such promotions, bonuses and special offers will prevail.

10.8 We may insist that you bet a certain amount of your own deposit before you can bet with any free/bonus funds we credit to your Account.

10.9 You accept that certain promotions may be subject to withdrawal restrictions and/or requirements which need to be met before funds credited under the promotion can be withdrawn. Such terms shall be duly published and made available as part of the promotion. If you opt to make a withdrawal before the applicable wagering requirements are fulfilled, we will deduct the whole bonus amount as well as any winnings connected with the use of the bonus amounts before approving any withdrawal.

10.10 Winnings from wagers placed using a free bet are calculated as the 'total returns' less the amount staked (including the amount of the free bet staked). The value of your free bet is therefore not included in, nor can be withdrawn as part of any winnings you make from a free bet.

10.11 Please note that in the event of a void bet, stakes are not returned on Free Bets.

10.12 You must use all bonuses and/or bonus programs within 48 hours of receiving the bonus on your Account. When a bonus and/or bonus program have not been used within 48 hours of receiving it, tether.bet reserves the right to cancel any such bonus and/or bonus program and may deduct the bonus or bonus-like reward or free spin immediately after the lapse of the 48 hours.

10.13 When incentives (including but not limited to free bets or free spins) are being offered in exchange for customer views, opinions, feedback or actions such as completing customer surveys, these incentives will be strictly limited to one per user during the relevant period of the survey/promotion.

10.14 Promotions may be published in several languages for informational purposes and ease of access by players. The English version is the only legal basis of the relationship between you and us, and in the case of any discrepancy with respect to a translation of any kind, the English version of these Terms and Conditions shall prevail.

Funds obtained from a malfunctioning Game shall be considered void, as well as any subsequent game rounds with said funds, regardless of what Games are played using such funds.

15.5 tether.bet reserves the right to declare a wager void, partially or in full if tether.bet deems it obvious that there was an error, mistake, misprint or technical error on the payable, odds or software.
